NOTICE OF PROPOSED RULE MAKING

Adopted: May 24, 1996

; Released: June 7, 1996

Comment Date: July 29, 1996

Reply Comment Date: August 13, 1996

By the Chief, Allocations Branch:

1. The Commission has before it the petition for rule making filed by Alan Bishop d/b/a Hilton Broadcasting ("petitioner") requesting the allotment of Channel 238A to Hilton, New York, as the community's first local aural service. Petitioner states that it will apply for the channel, if allotted.¹

2. Channel 238A can be allotted to Hilton in compliance with the Commission's minimum distance separation requirements with a site restriction of 1.9 kilometers (1.2 miles) north.² Imposition of this site restriction negates a short-spacing to Station WNVE, Channel 236B, South Bristol Township, New York. However, there remains a short-spacing to Stations CKDS-FM, Channel 237C1, Hamilton, Ontario, Canada and CJBC1F, Channel 238C1, Belleville, Ontario, Canada. Petitioner is aware of this short-spacing and states that it will, if necessary,

¹ Although the petitioner's request was signed, it failed to include an affidavit verifying that the statements contained in the petition were accurate to the best of its knowledge. Section 1.52 of the Commission's Rules requires that the original of any document filed with the Commission by a party not represented by counsel be signed and verified by the party and his/her address stated. In the absence of such verification, the petition may be dismissed. Section 1.420(b) of the Commission's Rules concerning rule making proceedings places petitioners on notice that their proposal must conform to the requirements of Section 1.52 regarding subscription and verification. See also Amendment of Sections 1.420 and 73.3584 of the Commission's Rules Concerning Abuses of the Commission's Processes, 5 FCC Rod 3911, 3919, n. 41 (1990). The petitioner is requested to rectify this omission in its comments.

² The coordinates for Channel 238A at Hilton are 43-18-15 North Latitude and 77-47-56 West Longitude.

operate the station directionally so as to avoid interference with the stations over Canadian land area. Therefore, as requested, we will request concurrence by the Canadian government in the allotment at Hilton as a specially negotiated allotment.

3. We believe petitioner's proposal warrants consideration since the allotment of Channel 238A to Hilton could provide the community with its first local aural transmission service. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

<u>City</u>	<u>Present</u>	<u>Channel No.</u> <u>Proposed</u>
Hilton, New York	--	238A

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before July 29, 1996, and reply comments on or before August 13, 1996, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

(Petitioner)

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding, contact Leslie K. Shapiro, Mass Media Bureau, (202) 418-2180. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the

proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.
